103.9 TENURE

All appointments to the positions of Professor and Associate Professor and to positions of equivalent rank are continuous in tenure until terminated by retirement, demotion, or dismissal. The termination of a continuous tenure appointment or the termination of the appointment of any other member of the faculty before the expiration of the appointee's contract shall be only for good cause, after the opportunity for a hearing before the properly constituted advisory committee of the Academic Senate, except as otherwise provided in a Memorandum of Understanding for faculty who are not members of the Academic Senate.

An Assistant Professor who has completed eight years of service in that title, or in that title in combination with other titles as established by the President, shall not be continued after the eighth year unless promoted to Associate Professor or Professor. By exception, the President may approve appointment of an Assistant Professor beyond the eighth year for no more than two years.
